

# DANAR GHULAMSYAH

Kebumen, Indonesia | [danargh86@gmail.com](mailto:danargh86@gmail.com) | [62857-4377-0334](tel:62857-4377-0334) | [Website](#) | [GitHub](#) | [LinkedIn](#)

I am software developer with **less than 1 year** of hands-on experience in front-end development and leading front-end team. I have implemented responsive and user-friendly interfaces, managed complex UI designs, and ensured the effective use of front-end supported library. I am eager to continue growing in my role and expand my skills in both front-end and back-end web development.

## EXPERIENCES

---

### Eduwork

*Web Developer / October 2023 – December 2023*

- ❖ Designed and developed responsive landing pages for Eduwork official website. Completing landing page design slicing such as [lpMentor](#), [lpPenyaluran](#), and [sistemToko](#);
- ❖ Collaborated with UI/UX designers to implement intuitive and visually appealing user interfaces;
- ❖ Managed code versions using git and gitlab, ensuring seamless collaboration with team members and maintaining a well-organized Laravel codebase.

### Alterra Academy

*MSIB React Developer Student / February 2023 – June 2023*

- ❖ Leading a front-end team by managing tasks and daily sprints for every team member so that 3 features can be completed in one sprint;
- ❖ Designed and implemented collaborative projects such as [schedulerApp](#) and [preventApp](#);
- ❖ Achieved recognition as the best front-end team in class A by mentor for outstanding perform in team collaboration;
- ❖ Completed all assignments and got a score of 92 point at the end of the lesson.
